

Thorner's Church of England VA Primary School Assembly Themes, Autumn 2nd half 2023

Generosity

Throughout this half term we are reflecting on the value of Generosity. We will remind children what a value is and ask them to share examples of generosity that they have seen. *(If the weather is suitable we will take the opportunity to do some of these assemblies in the Discovery Area.)*

Some questions we will consider:

- Do pupils truly understand the concept of giving without seeking any reward?
- How are pupils encouraged to act with generosity in both their words and their actions?
- Which areas of the curriculum enable the children to consider the importance of being generous not only with material objects but also with time, spirit and talents?
