

Thorner's Church of England VA Primary School Assembly Themes, Spring 1st half 2024

Justice

Throughout this half term we are reflecting on the value of Justice. We will remind children what a value is and ask them to share examples of justice that they have seen. *(If the weather is suitable we will take the opportunity to do some of these assemblies in the Discovery Area.)*

Some questions we will consider:

- How does our school make children aware of global justice issues?
- How does our school support charities?
- What strategies are in place to ensure that rules and procedures in the school are fair and just?
- How do we encourage pupils to take responsibility for each other in the school community and to develop a sense of responsibility towards their 'neighbours' near and far?
- How does our school ensure that it is an inclusive community for all?
- How does the school demonstrate compassion and help for those who have made mistakes?
