Forgiveness

“Forgive, and you will be forgiven.”
Luke 6.37

Throughout this half term we are reflecting on the value of Forgiveness. We will remind children what a value is and ask them to share examples of forgiveness that they have seen.

Some questions we will consider:

- How are the children and adults within the school community helped to acknowledge that we all make mistakes and we all need forgiveness from God and each other?
- How does the school help all members of the community to make amends for their mistakes?
- How does the school celebrate the idea that God's love is so great that forgiveness is always possible?
- How does the school foster the idea that forgiveness and acceptance of all builds the life of the school community?
