

Forming Letter Families

Twinkl Handwriting | Year 1 | Steps to Progression Overview

The aim of this overview is to show the most logical sequence for teaching each area of handwriting when using Twinkl Handwriting. However, Twinkl Handwriting is designed to be a pick 'n' mix style scheme. If you feel that your students need to concentrate on a specific letter family or a particular skill, you could tailor the programme to fit the requirements of your learners.

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	The Ladder Family (l, i, u, t, y and j)						Assess and Review		The One-Armed Robot Family (n, m and h)			Themed Handwriting Practice
Spring	The One-Armed Robot Family (k, b, p and r)				Assess and Review		The Curly Caterpillar Family (c, a, d, e, s and g)					
Summer	The Curly Caterpillar Family (f, q and o)		Assess and Review			The Zigzag Monster Family (z, v, w and x)			Assess and Review		Themed Handwriting Practice	

Year 1 Assessment Statements

By the end of these lessons, most children should be able to:

- sit correctly at a table, holding a pencil comfortably and correctly;
- begin to form lower case letters in the correct direction, starting and finishing in the right place;
- understand which letters belong to which handwriting 'families' (letters that are formed in similar ways) and to practise these.

Forming Letter Families

Twinkl Handwriting's Forming Letter Families packs have been created to teach year 1 children the sets of letter 'families' in a progressive teaching sequence. Within each PowerPoint presentation, all lower case letters are shown using a printed style (without lead-ins or lead-outs) with the aim of securing the correct basic letter formation of the entire alphabet before adjusting handwriting to a preferred style.

If you wish to adopt a cursive or continuous cursive style from year 1, a cursive (Twinkl unlooped) and continuous cursive (Twinkl looped) alternative version of all PDF worksheets is available within each download. The PowerPoint presentation is also fully editable if you would like to use the cursive or continuous cursive animated letter formation GIFs from later in the teaching sequence.

Resources

Within the following progression overview, you will find links to the cursive or continuous cursive lesson packs needed for each session. If you would prefer for your learners to have a handwriting booklet to work through, [click here](#). Letter formation and pencil control could also be practised by linking your handwriting sessions with phonics using our range of [Twinkl Handwriting phonics booklets](#).

Autumn Term Lesson Progression
