Some quotes:

What I like best about school:

- School teaches me new things every day.
- We can let our imagination run wild whether we are outside or inside.
- It is a safe and happy environment for everybody.
- We have nice staff who are funny and teach us lots.

What would make our school better: The school is fantastic how it is, doesn't need anything more, we have kind caring friends and good teachers, all we need.

Our discussions with the children

After we collated the results, we discussed with the children the issues and concerns they raised, in particular:

- knowing how they are doing in school: we reminded the children that they should ask their teacher if they did not know how they were doing
- assemblies: we reminded the children about giving their views and suggestions in the weekly class assemblies.
- school scarves etc; we agreed that we would look into having house scarves.
