

Thorner's Church of England VA Primary School

Recruitment and Selection Procedure

1 Introduction

- 1.1 Employees are a school's most important resource. In serving the needs of its pupils, the school can only be as effective as the people it employs.
- 1.2 Successful and thorough recruitment and selection has a fundamental role to play in ensuring the people with the right combination of knowledge, competencies and personal attributes are appointed.
- 1.3 Under section 175 of the Education Act 2002, Governing Bodies of maintained schools need to ensure that their functions are carried out with a view to safeguarding and promoting the welfare of children. It is vital that schools adopt recruitment and selection procedures that help deter, reject or identify people who might abuse children or are otherwise unsuited to work with them, in order to safeguard children.

2 Scope

- 2.1 This procedure is recommended to Governing Bodies for adoption by all schools.
- 2.2 It is vital that measures described in this guidance are applied thoroughly whenever someone is recruited to work in a school. Those are not only people who regularly come into contact with children or are responsible for children, but who regularly work in a setting where nevertheless, they will be seen as safe and trustworthy because of their regular presence.
- 2.3 **The Local Authority will not accept liability for any actions, claims, costs or expenses arising out of a school's decision not to follow this recommended policy or procedure, where it is found that the school's Governing Body has been negligent or has acted in an unfair or discriminatory manner.**

4 Guiding principles

- 4.1 Guiding principles, which reflect good employment practice and appropriate employment legislation, are the minimum principles established by the County Council, in consultation with Headteachers and the recognised Trade Unions and Professional Associations. These principles must be observed in recruitment and selection in schools.
- 4.2 These principles are highlighted as key steps in the following procedure summary.
- 4.3 These principles should be viewed as minimum 'must dos' designed to assist schools in making sound, informed employment decisions. The standards ensure measures to safeguard children.
- 4.4 Schools may introduce further standards, providing they do not conflict with these essential requirements.
